

Didcot Trees – what can you do?

ENJOY / ADMIRE / APPRECIATE THE CONTRIBUTION OF TREES

LOOK OUT FOR POTENTIAL THREATS TO TREES:

- Works signs
- Posts in the ground - possible development
- New cycle lanes heading for trees
- Digging near tree Route Protection Area
 - radius 12 times stem diameter at 1.5m above ground level
- Planning applications and planned tree works
 - sign up for South/Vale "planning news alerts"
